SECTION II A. Job rates and Maximum Grandfather rates for Labor, Trades and Crafts job family.

The rates shown below for the pay grades and job classification within the Labor, Trades and Crafts job family are the maximum rates, with the following exceptions:

Maximum grandfather rates reflect the actual wage for certain employees hired prior to July 1, 1977.

An employee who is transferred, reallocated or promoted to a position in a class in a pay grade higher than that of the class from which the employee is transferred shall be paid the job rate of the new class, provided however, that an employee who, prior to transfer, was paid at a salary rate higher than his/her job rate shall upon transfer, be paid at a rate which is the sum of the job rate of the new class plus the differential between the employee's former salary rate and the employee's former job rate; provided further, that no employee so transferred shall receive more than the highest paid employee in the city in the same classification. An employee who is transferred to a position in a pay grade lower than that of the class from which the employee is transferred shall be paid at the job rate of the new classification; provided however, that an employee, prior to transfer, was paid at a salary rate higher than the job for his/her classification shall, upon transfer, be paid at a rate which is the sum of the job rate of the new class plus the differential between the employee's former salary rate the employee's former job rate; provided further, that no employee so transferred shall receive more than the highest paid employee in the City in the same classification. An employee who, for disciplinary reasons or, at his/her election in lieu of a layoff, is demoted to a class position in a lower pay grade shall be paid at the job rate for the position to which the employee is demoted.

In addition, effective for position classifications assigned to pay grades 101-111, employees working on the evening or night shift shall receive a thirty cent (.30) per hour premium. Employees working on a swing shift shall receive a thirty-five cent (.35) per hour premium.

Water Plant Operators who obtain (CT) certifications, Wastewater Plant Operators who obtain (Class 1) certifications and T&D Working Foremen and T&D Water Linemen who obtain (DS-L) certifications, issued by the State of Indiana Department of Environmental Management, shall receive an additional thirty cents (.30) per hour certification pay in addition to the position's hourly rate of pay. T&D Plant Maintenance Mechanics and T&D Pump Station Mechanics who obtain Collection System Class II certifications, issued by the Indiana Water Pollution Control

Association, shall receive an additional twenty cents (.20) per hour certification pay in addition to the position's hourly rate of pay.

Wastewater Plant Operators who obtain Class II, Class III, or Class IV license(s) shall receive an additional twenty cents (.20) per hour per certification obtained and Water Plant Operators who obtain PF or AT certification(s) shall receive an additional twenty cents (.20) per hour per certification obtained for a maximum of four (4) certifications total for Wastewater and Water Plant Operators.

Treatment Operations: Treatment plant operators must maintain a current license for the classification which they hold in order to receive the certification pay.

Incentive Pay: All union-eligible employees who achieve state certification, but are in non-operator or T&D Working Foremen or Water Linemen classifications, shall receive a twenty cent (.20) per hour incentive pay premium. These personnel must maintain a current license/certification in order to continue receiving the incentive pay.
